David, Lisa,

Bob Perciasepe will participate in a Western Governors Association breakfast Sunday, **February 24** at the U.S. Department of Interior offices.

The meeting will be an open/informal discussion/forum for Governors to raise issues/questions on important western issues such as drought, water transfers, federal lands/wildlife, renewable energy transmission, and of course **hydraulic fracturing may come up**.

I believe Bob Sussman will accompany Bob P, and I'm sure Bob P. is fairly up to speed on the HF study efforts anyway, **but we'll need a succinct briefing document please....** format: brief background, status/update, and any messaging and/or critical Q&A's ORD recommends.....no more than two pages if possible.**by COB Weds Feb 20** if possible.

Region 8 cc'd will provide specific info/hot issue regarding **Pavillion** issues.

Other Meeting Participants FYI

- Ken Salazar, Secretary, U.S. Department of Interior
- Tom Vilsack, Secretary, U.S. Department of Agriculture
- Stephen Chu, Secretary, U.S. Department of Energy
- Nancy Sutley, Chair, Council on Environmental Quality
- Governor Herbert (Utah; WGA Chair), and Governor Hickenlooper (Colorado; WGA Vice-Chair) will participate, as well as most other western governors.

Any questions please let me know.

Thanks.
